

THE UMW APPALACHIAN DISTRICT NEWS

2nd Quarter 2018

President's Message:

United Methodist Women 101 + Membership

United Methodist Women is the largest denominational faith organization for women with approximately 800,000 members whose mission is fostering spiritual growth, developing leaders and advocating for justice.

Members raise up to \$20 million each year for programs and projects related to women, children and youth in the United States and in more than 100 countries around the world.

United Methodist Women principles and values include:

- promoting the empowerment of women, children and youth
- promoting anti-racism and multiculturalism
- promoting inclusion and equity
- promoting fair labor practices
- promoting economic and environmental stewardship and sustainability

The Vision of United Methodist Women is: Turning faith, hope and love into action on behalf of women, children and youth around the world. We cannot continue to promote & do these things unless we continue to grow in Membership!! We must encourage, support, and recruit young women to join this organization!! I challenge you to think of ways to recruit and support young women so that this organization can continue to grow and provide faith, hope and love in action for many women, children, and youth around the world. We must nurture the women we have in our circles and investigate ways that we can invite others to join us! Start teen circles and look for ways to encourage young women to join our organization. Any woman who commits herself to the PURPOSE of United Methodist Women and to engage in mission, study, personal growth and social action can join. You don't have to be United Methodist or meet an age requirement to be a member.

One way of learning more about UMW is by attending district and conference events. On page 14 of this newsletter is an application for a Scholarship to attend Mission U and Annual Celebration if you are a first timer. Return this form to me by June 1st.

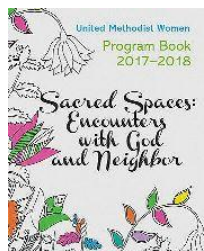

I would be happy to come and talk with your group about ways to recruit members. Please contact me or any of our district team to discuss ways we can grow in our membership.

Peace,

Lorraine Burns

Vice-President:

As we begin the second quarter of the Appalachian District UMW, I hope everyone is using the program book

“Sacred Spaces: Encounters with God and Neighbor” in some manner in your local units. Remember that you don't have to use the entire program given in the book, but it is good to incorporate what fits your local unit needs. You need to use at least two for credit on the Mission Today Unit report for the year. I look forward to seeing you at Spiritual Growth in June and at Mission u in July. It's time for Local Unit Visits (LUVs), so be sure you invite your Nurturing Partner to visit your unit soon as part of the program.

And remember to keep the 'P' in VP with Purpose, Planning and Program!

Peace,

Katie Burns

Secretary:

I enjoyed seeing so many UMW at our District Prayer Breakfast. “Hats off” to Sherry Summerlin for planning such a wonderful event, to the Taylorsville UMW for hosting us, and to the Taylorsville UMM for a wonderful breakfast. If you weren’t able to attend the Prayer Breakfast, hopefully you can join us at the District Mission Study at Sparta UMC on April 21st. The mission study, *Living as a Covenant Community*, examines major covenants throughout the Bible and what they reveal about God’s character and eternal love for us – enhancing our understanding of how God works with us, in us, and through us. This understanding is critical for living up to our UMW Purpose and in fulfilling our WNCC and District UMW 2018 Vision of *Growing as a Community of Women Who Are One in Christ*.

Blessings,
Jan Taylor

Nominations:

Hello My Sisters,

I just want to say how much I enjoy being with my UMW sisters. Whether it’s worshipping together at the Prayer Breakfast, learning together at the Mission Study and Mission u, or just spending quiet time at the Spiritual Growth Retreat, being a part of UMW is awesome. Members of UMW are always growing, always learning, and always advocating for women, youth, and children at home and around the globe. I see so many familiar faces when we have these events that I know you share in the desire to make the world a better place for all people. I hope you will consider taking the extra step and joining the district team. We welcome new faces and new ideas and we need your help. Please give me or any team member a call or email and we’d be glad to talk to you about the opportunities available.

Peace & Blessings,

Kim Smith

Communications/Newsletter:

We still need updated lists of 2018 Appalachian District unit officers. You can mail, email, or call to give information to Lorraine Burns or me, or you could provide the information through your nurturing partner. We want to make sure that District and Conference UMW information is passed to all units to pass on to all unit members. Also, I would love to have photos of local UMW unit events to include in our newsletters; you can email them to me at j.kay.tay@gmail.com.

Blessings,
Jan Taylor

Spiritual Growth:

Dear Sisters In Christ,

Thank you for your presence at the 2018 Prayer Breakfast held at First UMC Taylorsville and hosted by the First Taylorsville UMW. We remembered 28 Sisters during the Memorial Service. As a starfish was placed in the sand, our hearts overflowed with love and the joy of having known these United Methodist Women and the shared memories of our journey together.

We are so excited to have the “Glory Gifts” Spiritual Growth Retreat at Lake Junaluska, June 15-16. Registration is now, so get your move on and sign up ASAP. You do not want to miss this “Glory Gift”! The time away is renewing and refreshing, and I promise you will leave with your cup overflowing. Bring your Bible, comfortable clothes, your S.M.I.L.E., and your UMCOR Health Kits. The speaker is the Rev. Dr. Suzanne G. Michael of New Hope UMC.

The other exciting news is Mission u at Pfeiffer University in Misenheimer on July 19-22. Our hands-on mission project is School Kits. Again, you just don't want to miss this opportunity to grow spiritually and to learn more about mission. Grab a sister and register as soon as possible. You will be blessed beyond your imagination by spending three days seeking God in and through our studies. The friendship and fellowship will be life changing. The Spiritual Growth Study: “Embracing Wholeness: An Earth Perspective for Covenantal Living” is calling us to participate and learn. The full-time leader is Dr. Patty Meyers and the overview leader is Sandra Williamson.

“God has called us to live in covenantal relationship with all of creation and challenges readers to work toward stronger and healthier relationships with creation,

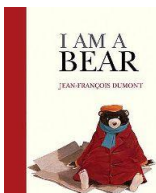

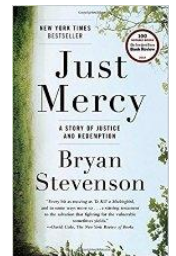

their communities, themselves, and God.”

So see you there...

Love and prayers,
Sherry Summerlin

Program Resources:

I hope everyone had a wonderful Easter. The weather has given me more time for outside reading. Don't tell my family, but I love to take a book out to the swing on the back porch and lose myself in it. I want to recommend a 2016 Social Action book "Just Mercy". The author, Bryan Stevenson took on serving the unjustly incarcerated men in Alabama. These men are innocent and the system has done them wrong. To quote Stevenson, "Why do we want to kill all the broken people?" Then he goes on to say, "We are all broken by Something. We have all hurt someone or have been hurt. We all share in the condition of brokenness even if our brokenness is not equivalent." He was not able to save all those he worked with but he comes to terms with that. He says, "I didn't deserve reconciliation or love in that moment, but that's how mercy works. The power of mercy is that it belongs to the undeserving."

If you live in a city with homeless, you might begin to see more of them on the streets, now that they are out of the shelters. The children's book, "I Am A Bear", is a great book to help your children (and you) understand what living homeless really is. It is a 2018 Nurturing for Community book. I will have some available at the next district event.

Enjoy the nice weather. I look forward to seeing you again or meeting you on April 21st.

Micki Earp

Treasurer:

As we move forward into 2018, I would like for us to look back to 2017 at the Units that gave in All Five Channels of Undesignated Giving. These Units are:

Barbara Heck	First Jonesville	Mount Hermon
Bethlehem	First North Wilkesboro	Mountain View
Boone	First Taylorsville	New Covenant
Charity	Friendship-Statesville	Pine Grove
Clifton	Grace Chapel	Scott's Chapel
Cool Springs	Hiddenite	Shiloh - Sparta
Deerfield	Hudson	Union Grove
First Elkin	Millers Creek	Wesley Chapel
First Granite Falls	Mt. Bethel - Alexander	Wilkesboro

Congratulations to these units! I would like to challenge all Appalachian District Units to give in All Five Channels of Undesignated Giving in 2018. To do this, a unit must do these five things:

1. Mission Giving - make a unit pledge and meet that pledge.
2. Gift to Mission - give a card (\$5 each) to remember people on special occasions, say thank you, or let someone know you are thinking of them.
3. Gift in Memory - a card given in memory for whomever you wish to remember in the amount of \$5 (or more).
4. Special Mission Recognition - giving a pin (beginning at \$40) to recognize a special person in your unit, church, or community. May give in this channel without giving a pin in increments of \$5.
5. World Thank Offering - an offering to show thanks for blessings by giving to the UMW missions for women, children, and youth around the world.

Remind your units of the 2018 Financial Goal set by our UMW Executive Committee to increase membership by 5%. Increase in membership may seem like a strange Financial Goal, but membership growth is the fuel for the health of the future of United Methodist Women Mission. Our current membership must continue to support our giving to missions faithfully and generously and to continue to thrive and meet this world's growing need for mission, we need that next wave of women to step forward with us as we work together to "expand the concepts of Mission." Membership IS our Future. The following are some ways to help increase membership: go to website wncumw.org for 125 Ideas for Recruiting New Members; invite, invite, INVITE verbally, hand out invitations, email, text and/or go get them; and look at meeting times and formats and make changes as needed.

Also, remind your units of the 2018 Conference Love Offering Theme: A Gift to Mission in Honor of Deaconesses and Home Missioners: Past, Present and Future. I took a walk through the Mission Personnel in the back of the Prayer Calendar and read the names of several Missionaries and Global Mission Fellows that I have had the opportunity to meet and work with on mission trips. This Love Offering will give me the opportunity to celebrate them and what they have done and continue to do for their communities. You may bring your Love Offering to UMW's Annual Celebration at Lake Junaluska; mail a check payable to Treasurer, WNCC UMW and send to Nancy Reigel, Conference Treasurer, 375 Troy Norris Road, Boone, NC 28607; or mail a check payable to Appalachian District UMW, designated Conference Love Offering, and send to me.

Thank you for your work on behalf of women, children, and youth around the world. I look forward to seeing you at the Spiritual Growth Retreat in June and/or at Mission U in July. If I can help you, please let me know.

Membership – Nurture – Outreach:

Greetings UMW sisters,

Let us remember the purpose of the UMW: United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church. Remember, it is difficult to make a difference when working alone; however when we come together as a group we are a formidable force! Make your voices heard by being a part of our wonderful group!

Remember to use your nurturing partners this year! These partners are available to visit, help with your programs and give support in any way you may need.

With spring finally upon us, this is the perfect time to bring new life to your unit by adding new members! Reach out to friends to share the joy, excitement, and creativity, as well as the social stances of our UMW. Remember sometimes these invites will need to be numerous! Let them see how much you want them in our fellowship!

Getting involved, reaching out, and keeping informed will keep your local unit healthy and on the forefront in your community. Join us for the District Mission Study on April 21st! We will be looking for you in Sparta.

Peace of Christ to you,
Denise Harris

From your Appalachian District Legacy Fund Energizer:

I hope that everyone was able to attend the District Prayer Breakfast at First Taylorsville UMC in March. Sherry Summerlin put together a beautiful stage setting and a very touching and sincere ceremony of remembrance for our United Methodist Women sisters that we lost in 2017. As Sherry read each name, a candle was lit and a starfish was placed in a container of sand. There were pictures of almost every member and Sherry told us a little about each woman. It was a heartwarming tribute to these ladies.

That brings me to just one opportunity (of many) to give to the Legacy Fund. In June each year, I make a donation to the Legacy Fund in memory of my sister who passed away in 2015. You may have read about her before. She lived in a tiny town in Texas and attended the UMC there. Sometimes, there were only 3 ladies at the circle meeting, but never more than 6. As a consequence, they were not always able to fully qualify for what we know as an active circle. I would always write to her to share stories about my Sparta UMW and our many activities which, in turn, she shared with her UMW ladies. It brought her so much joy to know that my husband and I had found a home church. So when the formation and the purpose of the Legacy Fund was announced, I immediately thought of my sister and what a meaningful way to remember her church life and legacy. Surely, we all know women in our life who deserve to be honored/remembered in a way that will ensure the future of the mission of United Methodist Women – to help make better lives for women, children and youth here in the United States and around the world. I cannot think of a better way to pay tribute to a special woman than to make a donation to the Legacy Fund in her honor. Please consider this suggestion.

I would like to share some information that I recently received from WNCC Treasurer, Nancy Reigel, as a way to reach the Conference goal of \$1.5 million for the Legacy Fund. Nancy writes that there are over 21,000 members in the WNCC. To easily raise what seems to be a HUGE amount of money, if each member were to give \$75 over the 5-year campaign, we could meet and exceed that goal. That is only \$15 per year, and, if someone is behind – the opportunity exists to make up the amount by the end of the fundraising campaign. We **CAN** reach this goal. **WE CAN MAKE THIS HAPPEN!!**

Earth Day 2018: End Plastic Pollution

Countdown to April 22

This year's campaign is to End Plastic Pollution.

Stand up!

Join up!

Take action!

From poisoning and injuring marine life to disrupting human hormones, from littering our beaches and landscapes to clogging our waste streams and landfills, the exponential growth of plastics is now threatening the survival of our planet.

In response, Earth Day 2018 is dedicated to providing the information and inspiration needed to fundamentally change human attitude and behavior about plastics.

Earth Day Network is working to secure a future free of plastic pollution. Please join us! [Sign our petition.](#)

BE THE CHANGE

What is Earth Day, and what is it meant to accomplish?

A message from Earth Day President, Kathleen Rogers

Close to 48 years ago, on 22 April 1970, millions of people took to the streets to protest the negative impacts of 150 years of industrial development.

In the US and around the world, smog was becoming deadly and evidence was growing that pollution led to developmental delays in children. Biodiversity was in decline as a result of the heavy use of pesticides and other pollutants.

The global ecological awareness was growing, and the US Congress and President Nixon responded quickly. In July of the same year, they created the Environmental Protection Agency, and robust environmental laws such as the Clean Water Act and the Endangered Species Act, among many.

Earth Day is now a global event each year, and we believe that more than 1 billion people in 192 countries now take part in what is the largest civic-focused day of action in the world.

It is a day of political action and civic participation. People march, sign petitions, meet with their elected officials, plant trees, cleanup their towns and roads. Corporations and governments use it to make pledges and announce sustainability measures. Faith leaders, including Pope Francis, connect Earth Day with protecting God's greatest creations, humans, biodiversity and the planet that we all live on.

Earth Day Network (EDN), the organization that leads Earth Day worldwide, today announced that Earth Day 2018 will focus on mobilizing the world to End Plastic Pollution, including creating support for a global effort to eliminate single-use plastics along with global regulation for the disposal of plastics. EDN will educate millions of people about the health and other risks associated with the use and disposal of plastics, including pollution of our oceans, water, and wildlife, and about the growing body of evidence that decomposing plastics are creating serious global problems.

From poisoning and injuring marine life to the ubiquitous presence of plastics in our food to disrupting human hormones and causing major life-threatening diseases and early puberty, the exponential growth of plastics is threatening our planet's survival. EDN has built a multi-year campaign to *End Plastic Pollution*. Our goals include ending single-use plastics, promoting alternatives to fossil fuel-based materials, promoting 100 percent recycling of plastics, corporate and government accountability, and changing human behavior concerning plastics.

EDN's End Plastic Pollution campaign includes four major components:

- Leading a grassroots movement to support the adoption of a global framework to regulate plastic pollution;
- Educating, mobilizing and activating citizens across the globe to demand that governments and corporations control and clean up plastic pollution;
- Educating people worldwide to take personal responsibility for plastic pollution by choosing to reject, reduce, reuse and recycle plastics; and
- Promoting local government regulatory and other efforts to tackle plastic pollution.

All of Earth Day Network's campaigns, whether protecting forests, registering new voters or greening cities, help create a greener, more sustainable future. You can get involved now to make your mark in the urgent fight against climate change.

United Methodist Women calls for sound stewardship of the earth and environmentally friendly lifestyles that preserve creation for the benefit of present and future generations.

Get involved in environmental work:

"They shall not hurt or destroy on all my holy mountain, says the Lord." ~Isaiah 65:25

United Methodist Book of Discipline:

All creation is the Lord's, and we are responsible for the ways in which we use and abuse it. Water, air, soil, minerals, energy resources, plants, animal life, and space are to be valued and conserved because they are God's creation and not solely because they are useful to human beings. God has granted us stewardship of creation. We should meet these stewardship duties through acts of loving care and respect. (**Social Principles, ¶ 160**)

We all need a break from our busy lives, a time for reflection, a time to listen for God's guidance. We are so busy doing all the things we are called upon to do, we don't often take the time to slow down, to sit back and think about the things that are really important. Join us to pray, to listen, to study, to fellowship with United Methodist Women from across the conference, and to spend some quiet time in reflection.
